About Annual Passes

Annual Entrance Passes allow park entrance in lieu of the daily entrance fee.
Annual Entrance Passes are honored at all state parks, except for Skyway Fishing Pier State Park, where they are valid for a 33% discount.
Entrance passes do not waive other special use fees charged at some parks for special events, camping or activities such as boat tours, tubing, fishing piers, gardens admission, etc.
Additional local fees may apply (example: Monroe County Surcharge).
An Annual Entrance Pass is valid for one year from the month of purchase.
The original Annual Entrance Pass Receipt from a Family Annual Entrance Pass may be used to accommodate a single member of a group arriving at the park at a different time than the group. This receipt will provide park entrance for one person.
Duplicate passes will not be issued.
Electronic copies of passes are not accepted.
All Annual Entrance Passes are non-transferable and are not valid for use by organized groups, clubs, agencies, churches or any commercial entity.
