Call for Business Plans SUP-BP #06-19
At Dr. Julian G. Bruce St. George Island State Park

We are with The Food Truck - SGI, and just have a quick question. We noticed Guest Services, Inc was signed in, but not actually present or represented. We thought you had to be present or at least represented to bid? Is there a reason an exception was made for them?

As Guest Services, Inc. did not sign in, they are not eligible to submit a proposal.
