The Concessionaire agrees the Facilities may be inspected at any time during operating hours by authorized representatives of the Department or by any other state, county, or municipal officer or agency having responsibilities for inspection of such operations. The Concessionaire shall immediately undertake the correction of any deficiency cited by such inspectors. If the Concessionaire fails to correct any such deficiency, or, if after two inspections by the Department's Agreement Manager, or their designee, the Concessionaire fails to meet minimum maintenance or repair standards identified in Paragraph B above or contained in the Repair and Maintenance Plan, the Division reserves the right to correct the deficiency and issue an invoice to the Concessionaire for payment of the cost thereof. If the Concessionaire fails to deliver payment of such invoice to the Department within 30 days thereafter, the Department may suspend the Concessionaire's operations under this Agreement until full payment has been received by the Department or may terminate this Agreement for cause and begin procedures to state a claim on the Security Deposit.

6. Surveys and reports. The Concessionaire shall cooperate with the Department in conducting surveys, providing reports of visitor contacts, and responding to Department inquiries regarding public usage of the Facilities and Services. Further, the Concessionaire shall provide the Department a nominal amount of space in or on the Facilities for Florida State Park marketing and promotional materials.

The Concessionaire understands and agrees no parcel, building, facility, structure, equipment, or space is leased to the Concessionaire; The Concessionaire is an independent contractor and not a lessee; and the Concessionaire's right to occupy the Facilities and to conduct the Services shall continue only so long as the Concessionaire and its operations are in full compliance with the terms and conditions of this Agreement.

8. Construction. The Concessionaire shall obtain pre-approval, in writing, from the Department for any construction of new facilities, for all alterations or additions to existing Facilities, and shall bear the full cost for such construction, alterations, or additions, which shall become state-owned assets upon completion (or at the Department's election such work in progress shall become state-owned assets should the Concessionaire abandon construction or this Agreement be terminated prior to the full completion of construction) (heretofore and/or hereinafter called "Capital Improvements"). The Concessionaire is responsible for applying for and paying all costs associated with required permits. The Concessionaire is responsible for all costs associated with design, site survey, geotechnical and other site testing including but not limited to: asbestos and lead based paint surveys, and preparation of construction documents necessary for the successful completion of the project. The Concessionaire shall submit, to the Department for review and comment, all of the necessary documentation including sealed plans, construction documents, test reports, product submittals, budget estimates, and sketches to accurately describe the scope of work, all of which must be pre-approved, in writing, by the Department, prior to commencement of any construction or alterations. Prior to construction, the Concessionaire shall attend a preconstruction meeting with the Park Manager, a representative from the Division's Bureau of Operational Services, a representative from the Division's Bureau of Design and Construction, and any other additional personnel required to properly document and coordinate the construction activities and agreement requirements. Once the permits have been reviewed and final plans have been approved by the Department, the Department shall provide to the Concessionaire a Notice to Proceed. Unless and until the Department issues its Notice-To-Proceed, the Concessionaire shall not charge and the Department shall not be obligated to pay or reimburse the Concessionaire for pre-construction phase costs and/or fees. Upon receipt of the Notice to Proceed, the Concessionaire shall commence construction and diligently pursue the full completion thereof.

9. Permits and licenses. The Concessionaire shall obtain and maintain all permits and licenses necessary for the operation of the business referenced in this Agreement and agrees to comply with all laws governing the responsibility of an employer with respect to persons it employs. All required permits and licenses must be obtained and presented to the Department prior to commencement of any Services under this Agreement by the Concessionaire or the Concessionaire's occupation of the Facilities.

10. Expansion of operations and assignment. The Department may, by formal amendment hereto, authorize the Concessionaire to expand or change the operations provided, if, in its sole discretion, the Department determines that such expansion or change would be beneficial to the Park, Park visitors, or the Department. The Concessionaire may not occupy or use additional Facilities, discontinue use of Facilities, or expand, change, or terminate Services without the prior written consent of the Department and the execution of a formal amendment to this Agreement. This Agreement shall not be assigned in whole or part, without prior written

approval of the Department, which approval may be granted, conditioned, or denied, in the Department's sole discretion. If the Department approves the assignment, the Concessionaire shall pay to the Department a processing fee of \$100, unless such processing fee is waived for good cause by the Department.

11. Subcontractor. The Concessionaire shall be responsible for providing all Services as set forth herein. The Concessionaire may subcontract, as necessary, to perform the Services, provided the Concessionaire gives notice and delivers to the Department all pertinent information concerning the subcontractor with a copy of the proposed subcontract and obtains the Department's written consent thereto prior to the Concessionaire's execution of the subcontract. Unless otherwise granted by amendment, only the Florida Park Service District 1 Bureau Chief or his or her superior may grant consent to utilize a subcontractor. Consent to use a subcontractor must be in writing. The Department reserves the right to withhold its consent to use any proposed subcontract or subcontractor, in its sole discretion. Failure to obtain pre-approval of a subcontract or subcontractor may result in termination of this Agreement. The term subcontract, as used in this Agreement, shall include any written or oral agreement, license, or other arrangement in which any other entity undertakes to perform any of the Services. The term subcontractor, as used in this Agreement, shall include any entity or person offering goods or services in the Park by written or oral agreement, license, or other arrangement with the Concessionaire. The Concessionaire agrees the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract. The Concessionaire is solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract and the Concessionaire is solely responsible for the subcontractor's performance under the subcontract. The Concessionaire shall include a provision in its subcontract which requires the subcontractor to comply with the terms of this Agreement, and to submit reports in the form required by this Agreement. Failure by any subcontractor to perform or to pay the Concessionaire shall not be grounds for excusing the Concessionaire's obligations to the Department. The Concessionaire shall be solely responsible for verifying the subcontractors' reports and for reporting gross sales attributable to any and all subcontracts, and computing and remitting the monthly fee based on Total Gross Sales, as required by this Agreement. By execution of a subcontract between the Concessionaire and subcontractor, each agrees to be bound by the terms of this Agreement, including but not limited to: the requirements of Chapter 119, Florida Statutes; Audit and Minimum Accounting requirements; and the commission on Total Gross Sales, as stated in this Agreement. In the event a subcontractor refuses to comply with the requirements of this Agreement under obligation to the Department, the Concessionaire is accountable to the Department to remedy the subcontractor's non-compliance, up to and including termination of subcontractor. If the Concessionaire fails to remedy the subcontractor's non-compliance, the Department may terminate this Agreement.

12. Competition. Unless otherwise provided herein, the Department agrees not to authorize any services in the Park which are in conflict or in direct competition with the Concessionaire's Services, except as further provided in this paragraph. The Department may propose competing services if it first gives the Concessionaire not less than 30 days advance written notice of its intent to authorize such services. If the Concessionaire desires the Department to consider the Concessionaire as the vendor to provide such services, it must submit a sufficiently-detailed proposal to the Department within 14 days of receipt of such notice. The Concessionaire's proposal may be accepted or rejected by the Department, in its sole discretion, after reviewing, among other things, the Factors. Notwithstanding the foregoing, the parties agree that the following services or uses are not subject to this paragraph and shall not constitute competition: a. the Department and the Park's Citizen Support Organization selling of Florida State Park promotional merchandise; b. private persons hiring outside caterers or carrying in their

own food and refreshments for individual events; c. the delivery of goods or services in the Park, the sales or service transactions of which originated outside the Park; d. Park management of events; or e. the Department's online retail and merchandise concessionaire. This paragraph is not intended to make the Department responsible to take any actions to prevent or remedy any competition which occurs or originates outside of the Park, even if such competing persons lawfully enter the Park.

13. Conflict of Interest. The Concessionaire covenants it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of Services to be provided under this Agreement. The Concessionaire agrees to use its best efforts to maximize the profitability of this Agreement and to refrain from any self-dealing or activity which would usurp opportunities of the Park associated with the Services provided hereunder. The Concessionaire further agrees not to conduct any activity that would be injurious or cause disrepute to the Park.

14. Independent contractor. It is acknowledged the Concessionaire is performing at all times as an independent contractor and not as an employee, representative, or agent of the State of Florida, the Department, or the Division, and neither the Concessionaire nor its employees are entitled to accrue any benefits of state employment.

15. Fees and merchandise. The Concessionaire agrees the prices and fees charged for merchandise and services offered by the Concessionaire pursuant to its operations under this Agreement shall be consistent with those charged by similar businesses for similar merchandise and services in the general vicinity of the Park. For the purposes of this Agreement, "general vicinity" is defined as being located or charging for merchandise or services within five miles of the Park. If there are no similar businesses which market similar merchandise or services within five miles of the Park, general vicinity shall be expanded to include the nearest such similar business. The Concessionaire shall not sell or rent any types of merchandise or equipment prohibited by the Department and shall sell or rent only the types of merchandise or equipment approved by the Department. The Concessionaire shall maintain an adequate supply of all merchandise and equipment (including Florida State Park merchandise), which the Park Manager deems appropriate for the Park or necessary to accommodate Park visitors. The Concessionaire shall ensure that all merchandise and equipment sold or rented is of good quality, safe, and clean. The Concessionaire agrees to follow the merchandise guidelines contained in Chapter Seven of the Division's Operations Manual. A fee schedule shall be pre-approved, in writing, by the Park Manager. Price and fee adjustments may be requested by the Concessionaire. Such requests will be reviewed by and may be approved in the sole discretion of the Department.

16. Concessionaire employee standards. The Concessionaire shall provide continuing training and evaluation of all employees assigned to the Concessionaire's business operations under this Agreement to ensure an appropriate level of proficiency, a public service attitude, and a good understanding and use of the principles of hospitality. All of the Concessionaire's employees shall be required to wear a visitor service uniform and name tag, pre-approved, in writing, by the Park Manager, at all times while on duty in the Park. The Concessionaire shall replace any employee at the request of the Park Manager for good cause. No Department employee or close relative of an employee of the Department shall be employed by the Concessionaire without prior written approval of the Department.

17. Monthly fee payment. The monthly commission fee, plus the State Use Tax and any other fees or payments due, shall be submitted to the Department, through the Park Manager, along with the monthly report of Total Gross Sales, so that the Park Manager shall receive such

funds and report(s) not later than the 20th day of each month. Payments received on or after the 21st day of each month shall result in a late fee being assessed in the amount of 1% of the current amount due for each day the payment is late. At the Department's sole discretion, late payment fees may be waived based on documented circumstances beyond reasonable control of the Concessionaire. If the monthly fee and accumulated late payment fees are not received within 30 days after the normal monthly payment deadline, the Department may suspend the Concessionaire's operations under this Agreement until full payment has been received by the Department or terminate this Agreement for cause and begin procedures to collect under the Security Deposit.

18. Accounting. Accounting requirements shall be as follows:

a. Minimum accounting requirements including subcontractors and audit. The Concessionaire shall comply with, and document compliance with, the Minimum Accounting Requirements detailed in Exhibit C, attached hereto and incorporated herein by reference. The Concessionaire shall establish and maintain books, records, and documents directly pertinent to performance under this Agreement in accordance with the Minimum Accounting Requirements and with the generally accepted accounting principles, which shall be consistently applied. The Department, and other appropriate government agencies, or their authorized representatives, as provided by law, shall have access to all such records for audit purposes during the term of this Agreement and for five years following the Agreement's expiration or termination. Audits will be conducted at locations and at a frequency determined by the Department or other state agency and communicated to the Concessionaire. The Concessionaire shall provide materials for the audit at the designated place within 15 days after the Department's or other government agency's notice is received. In addition, the Department may require the Concessionaire to procure an annual financial audit of the Concessionaire's operations conducted by a Certified Public Accountant, at the Concessionaire's sole cost and expense. If requested, the Concessionaire agrees such an audit shall be conducted in accordance with generally accepted auditing and accounting principles and shall be completed within a reasonable time frame, which shall not be set at less than 60 days by the Department.

b. Monthly report of Total Gross Sales. The Concessionaire shall provide to the Department a Monthly Report of Concessionaire's Total Gross Sales, which shall include gross sales attributable to any and all subcontracts, in the form attached hereto as Exhibit D and incorporated herein by reference. Each monthly report shall contain the required detail based upon Total Gross Sales for such month by point of sale. The Concessionaire shall deliver such report and required payment(s) to the Park Manager no later than the 20th day of the succeeding month.

c. Annual profit and loss statement. The Concessionaire shall provide an Annual Profit and Loss Statement to the Department, in the form attached hereto as Exhibit E and incorporated herein by reference. Such statement shall include the results of the Concessionaire's operations pursuant to this Agreement for each calendar year or portion thereof for which this Agreement is in effect. The statement shall be delivered to, or sent so it is received by, the Park Manager no later than April 30th of the succeeding calendar year, or within 90 days of the expiration or termination of this Agreement, whichever is sooner.

d. Books of original entry. Both the monthly reports of Total Gross Sales and the Annual Profit and Loss Statements shall be based on source documents and books of original entry. The Concessionaire shall retain books of original entry and source documents for five years, or until final resolution of matters resulting from any litigation, claim, or audit that started

prior to the expiration of the five year retention period, whichever is later. The retention period commences from the date of submission of the last annual profit and loss statement required in Paragraph 18 c. above.

e. Limited Engagement document. If annual Total Gross Sales from the Concessionaire's operations under this Agreement exceed \$400,000, the Concessionaire shall obtain and submit, at its sole cost and expense, a limited engagement document, prepared in accordance with the Agreed - Upon Procedures for a Certified Public Accountant as stated in Exhibit E, attached hereto and incorporated herein. Such limited engagement document shall be conducted in accordance with generally accepted auditing and accounting principles. This limited engagement document shall be submitted to the Park Manager no later than June 30th of the following calendar year or within 120 days after the expiration or termination of this Agreement, whichever is sooner.

f. Revenue subject to sales tax. The Concessionaire's revenue is subject to State Use Tax, unless the Concessionaire is exempt from paying such tax on commission fees to the Department. If it is tax exempt, the Concessionaire shall provide verification of its tax exempt status by completing the State Use Tax Exempt Certification form attached hereto as Exhibit G and incorporated herein by reference. The Concessionaire shall provide its completed Certification form to the Department contemporaneously with its delivery of the executed Agreement to the Department.

g. Purchasing card industry ("PCI"). The Concessionaire shall be responsible for complying with the PCI Data Security Standards ("PCI DSS"), which include a set of comprehensive requirements for enhancing payment account data security, at the Concessionaire's sole cost and expense. The PCI DSS standards can be found at the PCI Security Standards Council website, which is linked through: <https://www.pcisecuritystandards.org/>. Additional information can be obtained through the Florida Department of Financial Services ("DFS"), which coordinates the State of Florida's efforts directly with the PCI Security Standards Council. The Concessionaire shall ensure that the required data security measures are in place no later than 60 days after the execution of this Agreement or prior to the commencement of operations, whichever is sooner, by submitting a completed Self-Assessment Questionnaire ("SAQ") to the Park Manager. The Concessionaire shall submit an updated SAQ to the Park Manager annually on the anniversary of the commencement date through the expiration or termination of this Agreement. The SAQ can be found on the PCI DSS website listed above. During the term of this Agreement, it shall be the Concessionaire's responsibility to be apprised of any subsequent version, modification, amendment, or update of the PCI DSS, and, if necessary, in order to comply with the most current version of the PCI DSS, to modify its annual SAQ as it pertains to its operations under the Agreement, at the Concessionaire's sole cost and expense.

h. Electronic Payment. At such time the Department completes a system for accepting electronic payments from concessionaires, the Concessionaire agrees to use such system for making or delivering its monthly payments to the Department.

19. Public records. Pursuant to Chapter 119, Florida Statutes, all documents, papers, letters, or other printed, written, or recorded material prepared in conjunction with or as a result of this Agreement is a public record, except for such records that are exempt under Chapter 119, Florida Statutes, or other statutory provision, and Article I, section 24(a) of the Florida Constitution. All public records may be inspected or copied by any member of the public at any reasonable time. Additionally, such records may be audited by the State of Florida Auditor General or other authorized government agency. This Agreement may be unilaterally canceled

by the Department for refusal by the Concessionaire to allow public access to all documents, papers, letters, or other materials made or received by the Concessionaire in conjunction with this Agreement, unless the records are exempt under Chapter 119, Florida Statutes, or other statutory provision, and Article I, Section 24(a) of the Florida Constitution. Park visitors' and the Concessionaire's employees' social security numbers, bank account numbers, and credit or debit card numbers are not public records and shall be protected and redacted from any records shown or given to the public.

20. No vested real property right; Violation of grant terms. This Agreement shall not vest any real property right or interest in the Concessionaire, and shall be deemed to only be the grant of a privilege to perform the Services in full compliance with the Terms of this Agreement. In the case of state parks acquired or developed with Land and Water Conservation Fund ("LWCF") grants, the Concessionaire shall comply with all terms and provisions of the LWCF Grant Agreement regarding standards of maintenance, public use, and accessibility. A copy of the LWCF Grant Agreement may be obtained through the Park Manager. If the Concessionaire fails to comply with any of the material terms and conditions of the LWCF grant, the Department shall provide the Concessionaire written notice of said default and afford the Concessionaire 10 days to cure said default. Upon failure of the Concessionaire to bring the operations into compliance with the terms and provisions of the LWCF Grant Agreement or to show a good faith effort to comply within the time limit specified therein, the Department may terminate this Agreement for cause.

21. Termination. In addition to the Department's right(s) of termination contained elsewhere in this Agreement, this Agreement may be terminated prior to the expiration of the Term stated in Special Conditions, as follows:

a. Termination for cause.

i. Upon the Concessionaire's default, breach, or deficiency in performing any obligation under this Agreement ("Default"), the Department may terminate this Agreement for cause. The Department shall give Concessionaire 30 days advance written notice of the Default, and this Agreement shall automatically terminate at 12:01 A.M. EST on the last day of the month following the Concessionaire's receipt of the notice.

ii. If a cure period is expressly provided under any provision of this Agreement for a particular Default specified in the Department's notice, or if otherwise the Department, in its sole discretion, elects to provide the Concessionaire a specific amount of time to cure a Default, then the Department's notice of termination shall provide such amount of time for the Concessionaire to cure the Default(s) ("Cure Period"). The Concessionaire shall promptly commence and diligently pursue the full and complete cure of the Default(s), without interruption. Should the Concessionaire desire an extension of the Cure Period, then on or before the expiration of the initial Cure Period: a. The Concessionaire shall have commenced actions to cure the Default(s), and b. The Concessionaire shall submit a notice in writing to the Department stating the curative actions it has undertaken to date, with a request to extend the Cure Period to a later date (which date cannot be greater than the 90th day following the Concessionaire's receipt of the Department's written notice of default). The Concessionaire's request shall include an explanation of the need for an extension of the Cure Period. The Department may grant, deny, or condition its approval of the Concessionaire's extension request, in its sole discretion. If the Concessionaire does not fully and timely cure the Default(s) prior to the expiration of the Cure Period (or the extended Cure Period, if so requested and granted) then this Agreement shall automatically terminate at 12:01 A.M. EST on the first calendar day following the expiration of the Cure Period.

Upon such termination for cause, the Concessionaire shall immediately remove itself and all other parties who may be present upon or occupy any part of the premises or Facilities for its operations conducted hereunder. Continued occupancy of the premises or Facilities after termination of this Agreement shall constitute trespass by the Concessionaire and may be prosecuted as such. The Concessionaire will forfeit any unamortized costs for Capital Improvements upon termination for cause.

b. Termination for convenience. The Department or the Concessionaire may terminate this Agreement for convenience at any time by giving 90 days' advance written notice to the other party.

i. If the Concessionaire terminates this Agreement for convenience before the end of the Term, the Concessionaire shall pay to the Department a \$100 processing fee in conjunction with such termination. If the Concessionaire gives less than the 90 days' notice required above, then, in addition to the processing fee above, the Department may require the Concessionaire to pay an expedited termination fee equaling 5% of its previous 12 months average monthly commission for each month remaining in the term of this Agreement, as liquidated damages to the Department. This provision does not preclude the Department from pursuing any other legal remedies, in its sole discretion.

ii. If the Department terminates this Agreement for convenience, it shall not be liable to the Concessionaire for any direct, indirect, or consequential damages arising therefrom, save and except for any obligation Department may have to reimburse the Concessionaire for unamortized Capital Improvements. If the Concessionaire has made Capital Improvements to the Park, which have not been fully amortized (as defined by the Amortization Schedule in Exhibit B, attached hereto and incorporated herein, if applicable), the Department shall pay the Concessionaire the remaining unamortized amount of the Capital Improvements, as of the termination date, within 90 days following the termination date. No Capital Improvements under this Agreement shall be considered to have an amortization period longer than five years. The amortization rate and period for Capital Improvements shall be as stated in Exhibit B, if applicable, and reimbursements shall be pro-rated based on the date of termination during the calendar year. Proration shall be calculated using a 360 day calendar year. The Concessionaire agrees such payment shall constitute liquidated damages for termination for convenience by the Department.

c. Termination rights cumulative. Notwithstanding anything in this Paragraph 21 which may be construed to the contrary, the Department's termination rights in this Paragraph 21 are cumulative and in addition to termination rights which may be contained elsewhere in this Agreement, and to remedies available at law and in equity. There are specific circumstances expressly stated in this Agreement where termination occurs automatically without notice or with notice, and this Paragraph 21 does not alter nor affect the Department's use and reliance on those specific contractual termination rights contained elsewhere in this Agreement. All rights and remedies of the Department, whether under this Agreement or at law or in equity, are cumulative, and may be used by the Department singularly or concurrently.

22. Equipment and other tangible property. Upon termination or expiration of this Agreement for any reason, neither the Department nor any of its agents, officers, or employees shall be obligated to purchase any of the Concessionaire's equipment or remaining inventory, unless otherwise provided herein. The Concessionaire shall remove or dispose of all assets which are not fixtures of state property, at the Concessionaire's sole cost and expense. Notwithstanding

the foregoing, the Park Manager may elect, in their sole discretion, not to require the Concessionaire to remove assets which are not fixtures of state property and all such assets not removed by the Concessionaire prior to expiration or termination of this Agreement shall become the property of the Department. The Park Manager shall give written notice of any such election, prior to the termination or expiration of this Agreement.

23. Review of terms. This Agreement shall be reviewed by the Department periodically to determine whether the compensation agreed to herein is sufficient. Reasons to be considered for altering the compensation include: whether Capital Improvements were made by the Concessionaire, whether such Capital Improvements have been fully amortized, significant increase in use by the public, the Concessionaire's contributions to the Park other than Capital Improvements, significant increase in the Concessionaire's profits without a comparable increase in value to the Park, decrease in overhead costs, competitive rates in the marketplace, and other relevant reasons. If the Department determines the compensation agreed to is insufficient, the parties shall negotiate until agreement is reached and amendment hereto is made. If the parties cannot agree upon the amount to be paid the Department, then the Department shall terminate the Agreement after 90 days written notice to the Concessionaire.

24. Insurance coverage. The Concessionaire's failure to comply with any part of the insurance requirements is considered a material breach and shall be grounds for "termination for cause," by the Department. All insurance policies shall name the Florida Department of Environmental Protection and the Board of Trustees of the Internal Improvement Trust Fund ("Board of Trustees") of the State of Florida as Additional Named Insured for the entire term of the Agreement, including all extensions, if any.

The Concessionaire shall secure and maintain the following types of insurance covering its operations under this Agreement:

a. Liability. The Concessionaire shall secure and maintain Commercial General Liability insurance, including bodily injury, property damage, personal and advertising injury, coverage for factors relevant to Concessionaire's business, personal and property damage, and/or provide coverage for contents of the Facilities and space as stated herein, as amended or expanded from time to time, including additional products, services, and expansion of the Concessionaire's operation(s). Insurance coverage must include coverage for all claims which may arise from the services and/or operation(s) provided under this Agreement, whether such services and/or operations are by the Concessionaire or anyone directly or indirectly employed by the Concessionaire. The minimum limits of liability shall be \$1,000,000 for each occurrence and \$2,000,000 in the aggregate.

b. Automotive. The Concessionaire shall secure and maintain Commercial Automobile Liability insurance for company-owned vehicles and for hired and non-owned vehicles, which are used to transport equipment, merchandise, food products, customers, employees, or otherwise provide operational support or deliver services to the day-to-day or incidental operations or otherwise used to conduct business and provide the Services in the Park at a minimum combined single limit of \$1,000,000. Commercial Automobile Liability insurance coverage may be provided as either vehicle specific coverage or as a coverage for the business use as a rider on the Concessionaire's general liability insurance policy.

c. Other as needed. Other insurance required under this Agreement shall be insurance for the unique or particular type of operations, recreation, or facilities provided, such as liability for the operation of vessels, water sports, operation of other motorized vehicles, and diving

and snorkeling. The Concessionaire must provide its own insurance for such things as boat hulls, building contents, theft, vehicle comprehensive, and any other applicable insurance. The Concessionaire understands the State's insurance does not cover the Concessionaire's personal property or business losses in the Park. The Concessionaire is advised to thoroughly research its insurance needs prior to executing this Agreement.

d. Services cannot begin without insurance and filing requirements. No services under this Agreement shall begin prior to compliance with these insurance requirements. Compliance with the foregoing shall not relieve the Concessionaire of its liability under this paragraph or under any other portion of this Agreement. All insurance shall include a Hold Harmless Agreement in favor of the Department and the Board of Trustees. All insurance policies shall name the Department and the Board of Trustees as Additional Named Insured for the entire term of the Agreement, including all extensions, if any. All insurance policies shall include this Agreement's DEP Agreement No. on the certificate. Insurance policy certificates shall be submitted to the Park Manager, and shall list the Park Manager's name, Florida State Parks and mailing address, as listed in the Notices provision of this Agreement, as the insurance policy certificate holder. All insurance policies shall be with insurers licensed or eligible to do business in the State of Florida. The Concessionaire's current certificate of insurance shall contain a provision that the insurance will not be canceled for any reason except after 30 days prior written notice to the Department or their designee, except for nonpayment of insurance premium, which shall be handled in accordance with Florida law. The Concessionaire shall provide evidence of its current insurance coverage prior to commencement of operations. All required insurance policies shall remain in full force and effect throughout the term of this Agreement. Evidence of all policy renewals shall be provided to the Park Manager at the time of every renewal of such policy and prior to any extension of this Agreement. The Department reserves the right to request copies of insurance policies for examination and copying at any time during the term of this Agreement. Required per occurrence and aggregate loss limits for insurance coverage of the Concessionaire's services under this Agreement shall not be subject to dilution or reduction by any other insurable loss or interest of the Concessionaire under such policy, and if requested, the Concessionaire will provide proof thereof from its insurance provider. Any releases required by the Concessionaire's insurer to be signed by members of the public may be used in accordance with applicable law. To the extent releases are used, the release shall also release the Department and the Board of Trustees, in addition to the Concessionaire, and must be approved in advance in writing by the Department. If, at any time, the Department deems it necessary to require a liability waiver to be signed by members of the public, the Concessionaire shall comply with the Department's request. Waivers seeking parents' or guardians' signature on behalf of a minor small child shall comply with the form requirements set forth in Section 744.301, Florida Statutes.

25. Workers' Compensation. The Concessionaire shall secure and maintain, during the life of this Agreement, Workers' Compensation insurance for all of its employees connected with the work to be performed under this Agreement. Prior to the Concessionaire's signing of this Agreement, the Concessionaire shall provide evidence of such coverage. Concessionaire's self-insurance or insurance coverage shall comply fully with Florida Workers' Compensation Law. Such self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation law and the Merchant Marine Act of 1920 (P.L. 66-261), commonly known as the Jones Act, including any subsequent amendments or conditions. In case any class of the employees engaged in hazardous work under this Agreement is not protected under Workers' Compensation statutes, the Concessionaire shall provide adequate insurance, satisfactory to the Department, for the protection of its employees not otherwise protected. Insurance policy certificates shall be submitted to the Park Manager, and shall list the Park Manager's name,

Florida State Parks and mailing address, as listed in the Notices provision of this Agreement, as the insurance policy certificate holder. All insurance policies shall be with insurers licensed or eligible to do business in the State of Florida.

26. Risk in operation. The Concessionaire assumes all risk in the operation of its business under this Agreement and shall be solely responsible and answerable in damages for accidents or injuries to persons or property, whether direct or indirect, arising out of its operations or arising by virtue of the carelessness, negligence, or improper conduct of the Concessionaire or its subcontractors, and their respective employees, representatives, or agents. The Concessionaire shall save and hold harmless and indemnify the Department and the Board of Trustees, and their respective officers, employees, and agents, against any and all liability, claims, judgments, attorney's fees, or costs of whatsoever kind and nature for injury to, or death of, any person or persons and for the loss of or damage to any property resulting from the use, service, operation, or performance of work under the terms of this Agreement, resulting from any act, or failure to act, by the Concessionaire or its subcontractors, and their respective employees, agents, or representatives to the extent allowed by law. The Concessionaire shall notify the Park Manager within five days of all legal actions filed against the Concessionaire related to the Park or which may adversely affect or reflect on the Department.

27. Force majeure event. The Concessionaire hereby waives all claims for compensation for loss or damage sustained by reason of any force majeure event which takes place in or affects the Park. If a force majeure event occurs which causes delay or the reasonable likelihood of delay in the Concessionaire's performance under this Agreement, the Concessionaire shall promptly notify the Park Manager orally, and within seven calendar days, notify the Park Manager in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay, and the Concessionaire's intended timetable for implementation of such measures. If the parties agree the delay or anticipated delay has been or will be caused by a force majeure, time for performance of this Agreement may be extended for a period of time equal to the delay resulting from the force majeure. Such extension shall be the Concessionaire's sole remedy under this Agreement for delay caused by a force majeure event. Such extension shall be confirmed by an amendment to this Agreement. A force majeure event shall be an act of God or nature, strike, lockout or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary governmental or third party approvals, governmental restraint, terrorism, threat to homeland security, tornado, hurricane or other severe storms, civil commotion, criminal activity, or any other cause, whether of the kind specifically enumerated herein or otherwise, which is not reasonably within the control of the Concessionaire. Failures of the Concessionaire's subcontractor to perform are not a force majeure; nor are business losses a force majeure. Any such event shall not relieve the Concessionaire from performance of any terms of this Agreement which can be performed. No payment from the Concessionaire shall be due for the time period during which its operations are totally suspended due to the force majeure event.

28. Waiver in light of force majeure event. The Concessionaire also hereby waives all rights, claims, and demands and forever releases and discharges the Department and the Board of Trustees and their respective employees, officers, and agents from all demands, attorney's fees, claims, actions and causes of action arising from a force majeure event.

29. Natural and cultural resources. The Concessionaire shall abide by all local, state, and federal regulations and statutes governing the protection of natural and cultural resources and be considered liable for violation of such regulations or statutes.

30. Recyclable or biodegradable materials. When disposable serving supplies are utilized by the Concessionaire, they shall be produced from recyclable or biodegradable materials. Preference should be given to using non-disposable serving supplies. The Concessionaire shall develop and implement a solid waste reduction plan, as part of the environmental protection plan required by Exhibit A, for solid waste generated by the visitor service operations. In areas where recycling programs exist, this plan shall include provisions for recycling of all appropriate materials, and shall be approved, in writing, by the Park Manager during the first 60 days of operations under this Agreement.

31. Works for hire. Works for hire is defined as contributions to a collective work; part of a motion picture or other audiovisual work; a translation; a supplementary work; a compilation; an instructional text; a test; answer material for a test; and an atlas. For the purpose of this Agreement, the definition of works for hire shall be expanded to include: any marketing materials and websites generated by the Concessionaire utilizing a state park name for the purpose of conducting business under this Agreement, and whether such works for hire are patentable or copyrightable or not, such works for hire shall belong to the Department and shall be subject to the terms and conditions of this Agreement.

32. Federal, state and local laws. The Concessionaire shall comply with all applicable federal, state, and local laws, rules, regulations, and ordinances in providing services to the Department under this Agreement. The Concessionaire acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal, state, and local health and safety rules and regulations. The Concessionaire further agrees to include this provision in all subcontracts issued as a result of this Agreement. The Concessionaire's failure to comply with any part of this provision is material and shall be grounds for termination of this Agreement for cause by the Department.

a. Compliance with the Americans with Disabilities Act. The Concessionaire must comply with the Americans with Disabilities Act ("ADA"), and Chapter 760, Part I, Florida Statutes, the "Florida Civil Rights Act," and must provide facilities that provide accommodations to persons with disabilities, and must provide program access to each and every program and activity the Concessionaire offers to the public. It is the intent of the Department that the Concessionaire offer access to all of its facilities and programs, and not merely to the minimum extent mandated by law.

b. Violation of ADA. In the event that the Concessionaire is sued for violation of the ADA, and a court of competent jurisdiction determines the Concessionaire is in violation of the ADA, or the Concessionaire settles the case with the understanding that ADA changes must be made, the Concessionaire shall pay all of its own attorney's fees and costs as well as the plaintiff's attorney's fees and costs, as required by law. The Concessionaire may seek insurance for such risk, and, if it obtains a policy which covers such risk, the Concessionaire shall name the Department and the Board of Trustees as Additional Named Insured under such policy, and shall comply with such requirements, as applicable. If the Department is a co-defendant in such suit, the Department shall only pay for those attorney's fees and costs attributable to its violation of the ADA, as determined by judgement, court order and/or settlement agreement. In the event the time records do not reflect whether counsel's work was attributable to the Department's or the Concessionaire's violations, or the parties cannot agree on a split, the attorney's fees and costs shall be split equally between the Concessionaire and the Department.

c. A & I Coordinator. The Division of Recreation and Parks employs an Accessibility and Inclusion Coordinator ("A & I Coordinator"), who shall be consulted by the

Concessionaire each time an ADA issue arises. The A & I Coordinator will be the Division's contact for all public complaints and questions related to the ADA. The Concessionaire shall also inform the A & I Coordinator and the Park Manager within five days of service of process, in the event it is sued for an ADA violation. The Concessionaire shall inform the A & I Coordinator and the Park Manager of all ADA disputes or claims in writing within five days of the event. If there is a dispute between a Concessionaire and a visitor related to the ADA, an accommodation shall be negotiated between the parties by the A & I Coordinator. The A & I Coordinator can be contacted through the Department's Agreement Manager.

i. A & I Liaison. On or before the first day of operations under this Agreement, the Concessionaire shall identify one or more officers or employees to act as their Accessibility and Inclusion Liaison ("A & I Liaison"), and will promptly provide their names and contact information to the Park Manager.

ii. ADA Training.

(a) The Department shall send notice to the Concessionaire's A & I Liaison when the Department's online ADA training is available or updated. The Concessionaire's A & I Liaison and the Concessionaire's Agreement Manager shall take the Department's online ADA training within 60 calendar days of receiving such notice of course availability/update from the Park Manager.

(b) If offered, the Concessionaire shall attend training on ADA practices when a Concessionaire Meeting is held.

iii. Visitor Complaints. The Concessionaire's A & I Liaison and the Concessionaire's Agreement Manager shall make themselves familiar with the ADA requirements related to the Concessionaire's operations. The Concessionaire shall follow guidelines as provided by the Park Manager for accessibility and follow the Department's complaint procedure found on the Division's website at www.FloridaStateParks.org for any visits, calls, or complaints from visitors to initiate the resolution of the complaint to the visitor's and the Department's satisfaction. The Concessionaire's A & I Liaison shall: act as liaison with the A & I Coordinator; educate and direct other Concessionaire staff in ADA matters and issues; and cooperate with the A & I Coordinator.

iv. Accessibility and inclusion policy. On the first day of operations under this Agreement, the Concessionaire shall make the Concessionaire's accessibility and inclusion policy available to everyone, including the Concessionaire's employees, the Park Manager and Park visitors. The policy shall include, but is not limited to: the Concessionaire's responsibility towards individuals with disabilities; the degree of access available to the Concessionaire's operational facilities, programs, and activities; the Concessionaire's policy for visitor requests or inquiries for access to the Concessionaire's operational facilities, programs, and activities; and the Concessionaire's policy for handling a complaint on access and inclusion. The Concessionaire must post on its premises and its website, if it provides one, the Concessionaire's accessibility and inclusion policy in a highly visible location which will be visible to the public and the Concessionaire's employees at all times.

v. Written publications. If the Concessionaire provides written publications such as a website and brochures for its operations, the Concessionaire shall include accessibility information in such publications.

vi. Compliance with ADA terms and conditions. The Concessionaire shall comply with ADA provisions of this Agreement beginning on its first day of operations within the Park, unless otherwise specified herein. Compliance with the above-listed terms and conditions shall be monitored by the Concessionaire's A & I Liaison and the Park Manager. The Department shall also include ADA compliance as a component of the Concessionaire's Quarterly Evaluation Report.

33. Civil Rights Act. The Department receives Land and Water Conservation Funds. Under Title VI of the 1964 Civil Rights Act, the U.S. Department of Interior prohibits discrimination on the basis of race, creed, color, national origin, age, sex, or disability. The Concessionaire shall not discriminate, in the providing of services to the public or through its employment practices, on the basis of race, creed, color, national origin, age, sex, or disability. Requests for information regarding Title VI or registering of complaints under Title VI may be made to: The Office of Equal Opportunity, U.S. Department of the Interior, Office of the Secretary, 1849 C Street N.W., Washington, DC, 20240.

34. Unauthorized aliens. The employment of unauthorized aliens by any contractor/vendor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Concessionaire knowingly employs unauthorized aliens, such violation shall be cause for immediate unilateral cancellation of this Agreement by the Department. The Concessionaire shall be responsible for including this provision in all subcontracts with private persons or organizations entered into as a result of this Agreement.

35. E-Verify Employment Eligibility Verification. The Immigration Reform and Control Act of 1986 prohibits employers from knowingly hiring illegal workers. The Concessionaire shall only employ individuals who may legally work in the United States – either U.S. citizens or foreign citizens who are authorized to work in the U.S. The Concessionaire shall use the U.S. Department of Homeland Security's E-Verify Employment Eligibility Verification system to verify the employment eligibility of:

a. All persons employed by the Concessionaire, during the term of this Agreement, to perform employment duties within Florida; and,

b. All persons (including subcontractors) assigned by the Concessionaire to perform work pursuant to this Agreement. The Concessionaire shall include this provision in all subcontracts it enters into for the performance of work under this Agreement.

36. Sexual predator and offender check. The Concessionaire shall conduct a sexual predator and sexual offender check on the Concessionaire's Agreement Manager and all other officers, employees, and subcontractors of the Concessionaire prior to executing this Agreement. The Concessionaire shall keep a copy of its investigation records in the Concessionaire's personnel files that will be available to the Department during the Concessionaire's regular office hours. The Concessionaire shall not employ any person within the Park who is listed on either the sexual predator or sexual offender list maintained by the Florida Department of Law Enforcement ("FDLE") or maintained by the U.S. Department of Justice National Sex Offender Public Registry ("NSOPR"). The Concessionaire shall be responsible for including this provision in all subcontracts with private persons or organizations entered into as a result of this Agreement. The Department has the right to conduct criminal background checks and additional sexual predator and sexual offender checks on the Concessionaire's Agreement Manager, the Concessionaire's officers, employees, and subcontractors during the term of this Agreement. If the Concessionaire or any subcontractor of the Concessionaire employs a sexual predator or sexual offender, either

with knowledge or without knowledge due to failure to perform the required research of the FDLE list or the NSOPR, such violation shall be cause for immediate unilateral cancellation of this Agreement by the Department.

37. Public Entity Crime; Convicted Vendor. The Concessionaire confirms that, as of the execution of this Agreement, and will re-affirm annually no later than July 1 of each year of the Concession Agreement, neither the Concessionaire nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents (as applicable) who are active in the management of the Concessionaire, have been placed on the convicted vendor list maintained by the State of Florida following a conviction for a Public Entity Crime or on any similar list maintained by any other state or the federal government. "Public Entity" means the State of Florida, any of its departments or agencies, or any political subdivision. "Public Entity Crime" means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any Public Entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid, proposal, reply, or contract for goods or services, any lease for real property, or any contract for the construction or repair of a public building or public work, involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation. A person or affiliate who has been placed on the convicted vendor list following a conviction for a Public Entity Crime, among other things, may not be awarded work nor perform work as a contractor, supplier, subcontractor, or consultant under a contract with any Public Entity; and may not transact business with any Public Entity in excess of a specified threshold amount for a period of 36 months following the date of being placed on the convicted vendor list.

The Concessionaire must notify the Department within 30 days after any conviction of a Public Entity Crime applicable to the Concessionaire, its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the Concessionaire, or any affiliates of Concessionaire. In such event, this Agreement is voidable.

38. Indemnification. The Concessionaire shall save and hold harmless and indemnify the State of Florida, the Department, the Board of Trustees, and their respective officers, employees, and agents from any lawsuit, claim or action arising out of its operations under this Agreement.

39. State of Florida Department of Environmental Protection employees act in representative capacity. It is understood and agreed the persons constituting the Department and the Board of Trustees, and their respective employees, officers, and agents are acting in a representative capacity and not for their own benefit, and neither the Concessionaire nor any of its subcontractor's employees, officers, or agents shall have any claim against any such Department employees, officers, or agents as individuals in any event whatsoever, when they are acting within the guidelines, terms, and conditions set forth herein or when complying with applicable laws, rules, ordinances or Department directives and procedures.

40. Appropriation by Legislature. The Department's performance and obligation to pay under this Agreement, as applicable, is contingent upon an annual appropriation by the Legislature. If funds are not appropriated or available for the Department to operate the Park or maintain the Facilities allotted for the Concessionaire, the Department may terminate this Agreement upon giving the Concessionaire 30 days' notice in writing.

41. Limitation of damages. The Concessionaire is aware this Agreement is for management purposes and may be revenue generating or revenue neutral. Therefore, there are

no funds appropriated by the Legislature to pay damages. If a court of competent jurisdiction determines the Department is legally liable to the Concessionaire by reason of the Department's breach of this Agreement *and* a. the Concessionaire has made no Capital Improvements in the Park, the Concessionaire agrees that damages for any such breach shall be limited to the amount of the Security; *or* b. the Concessionaire has made Capital Improvements to the Park which were not fully amortized as of the date of the Department's breach, damages for any such breach shall be limited to the amount of the Security and Paragraph 21.b.ii. shall apply to the Department's repayment of any remaining unamortized Capital Improvements, such unamortized amount being based upon the date of the Department's breach as determined by judgment, order, or settlement agreement.

42. Delivered under laws of Florida and action brought in Leon County. This Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law.
