All public records may be inspected or copied by any member of the public at any reasonable time. Additionally, such records may be audited by the State of Florida Auditor General or other authorized government agency. This Agreement may be unilaterally canceled by the Department for refusal by the Concessionaire to allow public access to all documents, papers, letters, or other materials made or received by the Concessionaire in conjunction with this Agreement, unless the records are exempt under Chapter 119, Florida Statutes or other statutory provision, and Article I, Section 24(a) of the Florida Constitution. Park visitors' and the Concessionaire's employees' social security numbers, bank account numbers, and credit or debit card numbers are not public records and shall be protected and redacted from any records shown or given to the public.

20. No vested real property right; Violation of grant terms. This Agreement shall not vest any real property right or interest in the Concessionaire, and shall be deemed to only be the grant of a privilege to perform the Services in full compliance with the Terms of this Agreement. In the case of state parks acquired or developed with Land and Water Conservation Fund (LWCF) grants, the Concessionaire shall comply with all terms and provisions of the LWCF Grant Agreement regarding standards of maintenance, public use, and accessibility. A copy of the LWCF Grant Agreement may be obtained through the Park Manager. If the Concessionaire fails to comply with any of the material terms and conditions of the LWCF grant, the Department shall provide Concessionaire written notice of said default and afford the Concessionaire 10 days to cure said default. Upon failure of the Concessionaire to bring the operations into compliance with the terms and provisions of the LWCF Grant Agreement or to show a good faith effort to comply within the time limit specified therein, the Department may terminate this Agreement for cause.

21. Termination. In addition to the Department's right(s) of termination contained elsewhere in this Agreement, this Agreement may be terminated prior to the expiration of the Term stated in Special Conditions, as follows:

a. Termination for cause.

i. Upon Concessionaire's default, breach, or deficiency in performing any obligation under this Agreement (a "Default"), the Department may terminate this Agreement for cause. The Department shall give Concessionaire thirty (30) days advance written notice of the Default, and this Agreement shall automatically terminate at 12:01 AM e.s.t. on the 31st day following Concessionaire's receipt of the notice.

ii. If a cure period is expressly provided under any provision of this Agreement for a particular Default specified in the Department's notice, or if otherwise the Department, in its sole discretion, elects to provide the Concessionaire a specific amount of time to

cure a Default, then the Department's notice of termination shall provide such amount of time for Concessionaire to cure the Default(s) (the "Cure Period"). Concessionaire shall promptly commence and diligently pursue the full and complete cure of the Default(s), without interruption. Should Concessionaire desire an extension of the Cure Period, then on or before the expiration of the initial Cure Period: a. Concessionaire shall have commenced actions to cure the Default(s), and b. Concessionaire shall submit a notice in writing to the Department stating the curative actions it has undertaken to date, with a request to extend the Cure Period to a later date (which date cannot be greater than the ninetieth (90th) day following Concessionaire's receipt of the Department's written notice of default). Concessionaire's request shall include an explanation of the need for an extension of the Cure Period. The Department may grant, deny, or condition its approval of Concessionaire's extension request, in its sole discretion. If the Concessionaire does not fully and timely cure the Default(s) prior to the expiration of the Cure Period (or the extended Cure Period, if so requested and granted) then this Agreement shall automatically terminate at 12:01 AM e.s.t. on the first calendar day following the expiration of the Cure Period.

Upon such termination for cause, the Concessionaire shall immediately remove itself and all other parties who may be present upon or occupy any part of the premises or Facilities for its operations conducted hereunder. Continued occupancy of the premises or Facilities after termination of this Agreement shall constitute trespass by the Concessionaire and may be prosecuted as such. The Concessionaire will forfeit any unamortized costs for Capital Improvements upon termination for cause.

b. Termination for convenience. The Department or the Concessionaire may terminate this Agreement for convenience at any time by giving ninety (90) days' advance written notice to the other party.

i. If the Concessionaire terminates this Agreement for convenience before the end of the Term, the Concessionaire shall pay to the Department a \$100 processing fee in conjunction with such termination. If the Concessionaire gives less than the 90 days' notice required above, then, in addition to the processing fee above, the Department may require the Concessionaire to pay an expedited termination fee equaling 5% of its previous 12 months average monthly commission for each month remaining in the term of this Agreement, as liquidated damages to the Department. This provision does not preclude the Department from pursuing any other legal remedies, in its sole discretion.

ii. If the Department terminates this Agreement for convenience, it shall not be liable to Concessionaire for any direct, indirect or consequential damages arising therefrom, save and except for any obligation Department may have to reimburse Concessionaire for unamortized Capital Improvements. If Concessionaire has made Capital Improvements to the Park, which have not been fully amortized (as defined by the Amortization Schedule in Exhibit B, attached hereto and incorporated herein, if applicable), the Department shall pay the Concessionaire the remaining unamortized amount of the Capital Improvements, as of the termination date, within 90 days following the termination date. No Capital Improvements under this Agreement shall be considered to have an amortization period longer than five years. The amortization rate and period for Capital Improvements shall be as stated in Exhibit B, if applicable, and reimbursements shall be pro-rated based on the date of termination during the calendar year. Proration shall be calculated using a 360 day calendar year. Concessionaire agrees such payment shall constitute liquidated damages for termination for convenience by the Department.

c. Termination rights cumulative. Notwithstanding anything in this Paragraph 21 which may be construed to the contrary, the Department's termination rights in this Paragraph 21 are cumulative and in addition to termination rights which may be contained elsewhere in this

Agreement, and to remedies available at law and in equity. There are specific circumstances expressly stated in this Agreement where termination occurs automatically without notice or with notice, and this Paragraph 21 does not alter nor affect the Department's use and reliance on those specific contractual termination rights contained elsewhere in this Agreement. All rights and remedies of the Department whether under this Agreement or at law or in equity are cumulative, and may be used by the Department singularly or concurrently.

22. Equipment and other tangible property. Upon termination or expiration of this Agreement for any reason, neither the Department nor any of its agents, officers or employees shall be obligated to purchase any of the Concessionaire's equipment or remaining inventory, unless otherwise provided herein. The Concessionaire shall remove or dispose of all assets which are not fixtures of state property, at the Concessionaire's sole cost and expense. Notwithstanding the foregoing, the Park Manager may elect, in his sole discretion, not to require the Concessionaire to remove assets which are not fixtures of state property and all such assets not removed by the Concessionaire prior to expiration or termination of this Agreement shall become the property of the Department. The Park Manager shall give written notice of any such election, prior to the termination or expiration of this Agreement.

23. Review of terms. This Agreement shall be reviewed by the Department periodically to determine whether the compensation agreed to herein is sufficient. Reasons to be considered are: whether Capital Improvements were made by the Concessionaire, whether such Capital Improvements have been fully amortized, significant increase in use by the public, the Concessionaire contributions to the Park other than Capital Improvements, significant increase in Concessionaire profits without a comparable increase in value to the Park, decrease in overhead costs, competitive rates in the marketplace, and other relevant reasons. If the Department determines the compensation agreed to is insufficient, the parties shall negotiate until agreement is reached and amendment hereto is made. If the parties cannot agree upon the amount to be paid the Department, the Department shall terminate the Agreement after 90 days written notice to the Concessionaire.

24. Insurance coverage. The Concessionaire shall secure and maintain the following types of insurance covering its operations under this Agreement:

a. Liability. The Concessionaire shall secure and maintain Commercial General Liability insurance, including bodily injury, property damage, personal and advertising injury, contents of the Facilities, as amended or expanded from time to time, products, and completed operations. This insurance shall provide coverage for all claims which may arise from the services and/or operations provided under this Agreement, whether such services and/or operations are by the Concessionaire or anyone directly or indirectly employed by the Concessionaire. The minimum limits of liability shall be \$1,000,000 for each occurrence and \$2,000,000 in the aggregate.

b. Automotive. The Concessionaire shall secure and maintain Commercial Automobile Liability insurance for company-owned vehicles and for hired and non-owned vehicles, which are used to transport equipment, merchandise, food products, customers, employees or otherwise provide operational support or deliver services to the day to day or incidental operations or otherwise used to conduct business and provide the Services in the Park at a minimum combined single limit of \$1,000,000. Commercial automobile liability insurance coverage may be provided as either vehicle specific coverage or as a coverage for the business use as a rider on the Concessionaire's general liability insurance policy.

c. Other as needed. Other insurance required under this Agreement shall be insurance for the unique or particular type of operations, recreation, or facilities provided, such as

liability for the operation of vessels, water sports, operation of other motorized vehicles, and diving and snorkeling. The Concessionaire must provide its own insurance for such things as boat hulls, building contents, theft, vehicle comprehensive, and any other applicable insurance. The Concessionaire understands the state's insurance does not cover the Concessionaire's personal property or business losses in the Park. The Concessionaire is advised to thoroughly research its insurance needs prior to executing this Agreement.

d. Services cannot begin without insurance and filing requirements. No services under this Agreement shall begin prior to compliance with these insurance requirements. Compliance with the foregoing shall not relieve the Concessionaire of its liability under this paragraph or under any other portion of this Agreement. All insurance shall include a Hold Harmless Agreement in favor of the Department and the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida ("Board of Trustees"). All insurance policies shall name the Florida Department of Environmental Protection and the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida as Additional Named Insured for the entire term of the Agreement, including all extensions, if any. All insurance policies shall include this Agreement's DEP Agreement No. on the certificate. Insurance policy certificates shall be submitted to the Park Manager, and shall list the Park Manager's Name, Florida State Parks and Mailing Address, as listed in the Notices provision of this Agreement, as the insurance policy certificate holder. All insurance policies shall be with insurers licensed or eligible to do business in the State of Florida. The Concessionaire's current certificate of insurance shall contain a provision that the insurance will not be canceled for any reason except after 30 days prior written notice to the Park Manager, except for nonpayment of insurance premium, which shall be handled in accordance with Florida law. The Concessionaire shall provide evidence of its current insurance coverage prior to commencement of operations. All required insurance policies shall remain in full force and effect throughout the term of this Agreement. Evidence of all policy renewals shall be provided to the Park Manager at the time of every renewal of such policy and prior to any extension of this Agreement. The Department reserves the right to request copies of insurance policies for examination and copying at any time during the term of this Agreement. Required per occurrence and aggregate loss limits for insurance coverage of Concessionaire's services under this Agreement shall not be subject to dilution or reduction by any other insurable loss or interest of Concessionaire under such policy, and if requested Concessionaire will provide proof thereof from its insurance provider. Any releases required by the Concessionaire's insurer to be signed by members of the public may be used in accordance with applicable law. To the extent releases are used, the release shall also release the Department and the Board of Trustees, in addition to the Concessionaire and must be approved in advance in writing by the Department. If at any time, the Department deems it necessary to require a liability waiver to be signed by members of the public, the Concessionaire shall comply with the Department's request. Waivers seeking parents' or guardians' signature on behalf of a minor small child shall comply with the form requirements set forth in S.744.301, Florida Statutes.

25. Workers' Compensation. The Concessionaire shall secure and maintain during the life of this Agreement, Workers' Compensation Insurance for all of its employees connected with the work to be performed under this Agreement. Prior to the Concessionaire's signing of this Agreement, the Concessionaire shall provide evidence of such coverage. Concessionaire's self-insurance or insurance coverage shall comply fully with Florida Workers' Compensation Law. Such self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation law and the Merchant Marine Act of 1920 (P.L. 66-261), commonly known as the Jones Act, including any subsequent amendments or conditions. In case any class of the employees engaged in hazardous work under this Agreement is not protected under Workers' Compensation statutes, the Concessionaire shall provide adequate insurance, satisfactory to the Department, for the protection of its employees not otherwise protected. Insurance policy certificates shall be submitted to the Park Manager, and shall list the Park Manager's Name, Florida State Parks and Mailing Address, as listed

in the Notices provision of this Agreement, as the insurance policy certificate holder. All insurance policies shall be with insurers licensed or eligible to do business in the State of Florida.

26. Risk in operation. The Concessionaire assumes all risk in the operation of its business under this Agreement and shall be solely responsible and answerable in damages for accidents or injuries to persons or property, whether direct or indirect, arising out of its operations or arising by virtue of the carelessness, negligence, or improper conduct of the Concessionaire or its subcontractors, and their respective employees, representatives, or agents. The Concessionaire shall save and hold harmless and indemnify the Department and the Board of Trustees, and their respective officers, employees, and agents, against any and all liability, claims, judgments, attorney's fees, or costs of whatsoever kind and nature for injury to, or death of, any person or persons and for the loss of or damage to any property resulting from the use, service, operation, or performance of work under the terms of this Agreement, resulting from any act, or failure to act, by the Concessionaire or its subcontractors, and their respective employees, agents, or representatives to the extent allowed by law. The Concessionaire shall notify the Park Manager within five days of all legal actions filed against the Concessionaire related to the Park or which may adversely affect or reflect on the Department.

27. Force majeure event. The Concessionaire hereby waives all claims for compensation for loss or damage sustained by reason of any force majeure event which takes place in or affects the Park. If a force majeure event occurs which causes delay or the reasonable likelihood of delay in Concessionaire's performance under this Agreement, the Concessionaire shall promptly notify the Park Manager orally, and within seven calendar days, notify the Park Manager in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay, and the Concessionaire's intended timetable for implementation of such measures. If the parties agree the delay or anticipated delay has been or will be caused by a force majeure, time for performance of the Agreement may be extended for a period of time equal to the delay resulting from the force majeure. Such extension shall be the Concessionaire's sole remedy under this Agreement for delay caused by a force majeure event. Such extension shall be confirmed by an amendment to this Agreement. A force majeure event shall be an act of God or nature, strike, lockout or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary governmental or third party approvals, governmental restraint, terrorism, threat to homeland security, tornado, hurricane or other severe storms, civil commotion, criminal activity, or any other cause, whether of the kind specifically enumerated herein or otherwise, which is not reasonably within the control of the Concessionaire. Failures of the Concessionaire's subcontractor to perform are not a force majeure; nor are business losses a force majeure. Any such event shall not relieve the Concessionaire from performance of any terms of this Agreement which can be performed. No payment from the Concessionaire shall be due for the time period during which its operations are totally suspended due to the force majeure event.

28. Waiver in light of force majeure event. The Concessionaire also hereby waives all rights, claims and demands and forever releases and discharges the Department and the Board of Trustees and their respective employees, officers and agents from all demands, attorney's fees, claims, actions and causes of action arising from a force majeure event.

29. Natural and cultural resources. The Concessionaire shall abide by all local, state and federal regulations and statutes governing the protection of natural and cultural resources and be considered liable for violation of such regulations or statutes.

30. Recyclable or biodegradable materials. When disposable serving supplies are utilized by the Concessionaire, they shall be produced from recyclable or biodegradable materials. Preference should be given to using non-disposable serving supplies. The Concessionaire shall

develop and implement a solid waste reduction plan, as part of the environmental protection plan required by Exhibit A, for solid waste generated by the visitor service operations. In areas where recycling programs exist, this plan shall include provisions for recycling of all appropriate materials, and shall be approved, in writing, by the Park Manager during the first 60 days of operations under this Agreement.

31. Works for hire. Works for hire is defined as contributions to a collective work; part of a motion picture or other audiovisual work; a translation; a supplementary work; a compilation; an instructional text; a test; answer material for a test; and an atlas. For the purpose of this Agreement, the definition of works for hire shall be expanded to include: any marketing materials and websites generated by the Concessionaire utilizing a state park name for the purpose of conducting business under this Agreement, and whether such works for hire are patentable or copyrightable or not, such works for hire shall belong to the Department and shall be subject to the terms and conditions of this Agreement.

32. Federal, state and local laws. The Concessionaire shall comply with all applicable federal, state and local laws, rules, regulations and ordinances in providing services to the Department under this Agreement. The Concessionaire acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal, state and local health and safety rules and regulations. The Concessionaire further agrees to include this provision in all subcontracts issued as a result of this Agreement. The Concessionaire's failure to comply with any part of this provision is material and shall be grounds for termination of this Agreement for cause by the Department.

a. Compliance with the Americans with Disabilities Act. The Concessionaire must comply with the Americans with Disabilities Act ("ADA"), and Chapter 760, Part I, Florida Statutes, the "Florida Civil Rights Act," and must provide facilities that provide accommodations to persons with disabilities, and must provide program access to each and every program and activity the Concessionaire offers to the public. It is the intent of the Department the Concessionaire offer access to all of its facilities, programs, and not merely to the minimum extent mandated by law.

b. Violation of ADA. In the event that the Concessionaire is sued for violation of the ADA, and a court of competent jurisdiction determines the Concessionaire is in violation of the ADA, or the Concessionaire settles the case with the understanding that ADA changes must be made, the Concessionaire shall pay all of its own attorney's fees and costs as well as the plaintiff's attorney's fees and costs, as required by law. The Concessionaire may seek insurance for such risk, and, if it obtains a policy which covers such risk, the Concessionaire shall name the Department and the Board of Trustees as Additional Named Insured under such policy, and shall comply with such requirements, as applicable. If the Department is a co-defendant in such suit, the Department shall only pay for those attorney's fees and costs attributable to its violation of the ADA, as determined by the plaintiff's records. In the event the time records do not reflect whether counsel's work was attributable to the Department's or the Concessionaire's violations, or the parties cannot agree on a split, the attorney's fees and costs shall be split equally between the Concessionaire and the Department.

c. A & I Coordinator. The Division of Recreation and Parks employs an Accessibility and Inclusion Coordinator ("A & I Coordinator"), who shall be consulted by the Concessionaire each time an ADA issue arises. The A & I Coordinator will be the Division's contact for all public complaints and questions related to the ADA. The Concessionaire shall also inform the A & I Coordinator and the Park Manager within five days of service of process, in the event it is sued for an ADA violation. The Concessionaire shall inform the A & I Coordinator and the Park Manager of all ADA disputes or claims in writing within five days of the event. If there is a dispute between a

Concessionaire and a visitor related to the ADA, an accommodation shall be negotiated between the parties by the A & I Coordinator. The A & I Coordinator can be contacted through the Department's Agreement Manager.

i. A & I Liaison. On or before the first day of operations under this Agreement, the Concessionaire shall identify one or more officers or employees to act as their Accessibility and Inclusion Liaison ("A & I Liaison"), and will promptly provide their names and contact information to the Park Manager.

ii. ADA Training.
(a) The Department shall send notice to the Concessionaire's A & I Liaison when the Department's online ADA training is available or updated. The Concessionaire's A & I Liaison and the Concessionaire's Agreement Manager shall take the Department's online ADA training within 60 calendar days of receiving such notice of course availability/update from the Park Manager.

(b) If offered, the Concessionaire shall attend training on ADA practices when a Concessionaire Meeting is held.

iii. Visitor Complaints. The Concessionaire's A & I Liaison and the Concessionaire's Agreement Manager shall make themselves familiar with the ADA requirements related to the Concessionaire's operations. The Concessionaire shall follow guidelines as provided by the Park Manager for accessibility and follow the Department's complaint procedure found on the www.FloridaStateParks.org website for any visits, calls or complaints from visitors to initiate the resolution of the complaint to the visitor's and Department's satisfaction. The Concessionaire's A & I Liaison shall: act as liaison with the A & I Coordinator; educate and direct other Concessionaire staff in ADA matters and issues; and, cooperate with the A & I Coordinator.

iv. Accessibility and inclusion policy. On the first day of operations under this Agreement, the Concessionaire shall make the Concessionaire's accessibility and inclusion policy available to everyone, including Concessionaire's employees, the Park Manager and Park visitors. The policy shall include, but is not limited to: the Concessionaire's responsibility towards individuals with disabilities; the degree of access available to the Concessionaire's operational facilities, programs and activities; the Concessionaire's policy for visitor requests or inquiries for access to the Concessionaire's operational facilities, programs and activities; and, the Concessionaire's policy for handling a complaint on access and inclusion. The Concessionaire must post on its premises and its website, if it provides one, the Concessionaire's accessibility and inclusion policy in a highly visible location which will be visible to the public and Concessionaire's employees at all times.

v. Written publications. If the Concessionaire provides written publications such as a website and brochures for its operations, the Concessionaire shall include accessibility information in such publications.

vi. Compliance with ADA terms and conditions. The Concessionaire shall comply with ADA provisions of this Agreement beginning on its first day of operations within the Park, unless otherwise specified herein. Compliance with the above-listed terms and conditions shall be monitored by the Concessionaire's A & I Liaison and the Park Manager. The Department shall also include ADA compliance as a component of the Concessionaire's Quarterly Evaluation Report.

33. Civil Rights Act. The Department receives Land and Water Conservation Funds. Under Title VI of the 1964 Civil Rights Act, the U. S. Department of Interior prohibits discrimination

on the basis of race, creed, color, national origin, age, sex, or disability. The Concessionaire shall not discriminate, in the providing of services to the public or through its employment practices, on the basis of race, creed, color, national origin, age, sex, or disability. Requests for information regarding Title VI or registering of complaints under Title VI may be made to: The Office of Equal Opportunity, U. S. Department of the Interior, Office of the Secretary, Washington, DC, 20240.

34. Unauthorized aliens. The employment of unauthorized aliens by any contractor/vendor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Concessionaire knowingly employs unauthorized aliens, such violation shall be cause for immediate unilateral cancellation of this Agreement by the Department. The Concessionaire shall be responsible for including this provision in all subcontracts with private persons or organizations entered into as a result of this Agreement.

35. E-Verify Employment Eligibility Verification. The Immigration Reform and Control Act of 1986 prohibits employers from knowingly hiring illegal workers. The Concessionaire shall only employ individuals who may legally work in the United States – either U.S. citizens or foreign citizens who are authorized to work in the U.S. The Concessionaire shall use the U.S. Department of Homeland Security's E-Verify Employment Eligibility Verification system to verify the employment eligibility of:

a. All persons employed by the Concessionaire, during the term of this Agreement, to perform employment duties within Florida; and,

b. All persons (including subcontractors) assigned by the Concessionaire to perform work pursuant to this Agreement. The Concessionaire shall include this provision in all subcontracts it enters into for the performance of work under this Agreement.

36. Sexual predator and offender check. The Concessionaire shall conduct a sexual predator and sexual offender check on the Concessionaire's Agreement Manager and all other officers, employees and subcontractors of Concessionaire prior to executing this Agreement. The Concessionaire shall keep a copy of its investigation records in Concessionaire's personnel files that will be available to the Department during the Concessionaire's regular office hours. Concessionaire shall not employ any person within the Park who is listed on either the sexual predator or sexual offender list maintained by the Florida Department of Law Enforcement ("FDLE") or maintained by the U.S. Department of Justice National Sex Offender Public Registry ("NSOPR"). The Concessionaire shall be responsible for including this provision in all subcontracts with private persons or organizations entered into as a result of this Agreement. The Department has the right to conduct criminal background checks and additional sexual predator and sexual offender checks on the Concessionaire's Agreement Manager, the Concessionaire's officers, employees, and subcontractors during the term of this Agreement. If the Concessionaire or any subcontractor of Concessionaire employs a sexual predator or sexual offender, either with knowledge or without knowledge due to failure to perform the required research of the FDLE list or the NSOPR, such violation shall be cause for immediate unilateral cancellation of this Agreement by the Department.

37. Public Entity Crime; Convicted Vendor. Concessionaire confirms that as of the execution date of this Agreement, and will re-affirm annually no later than July 1st of each year of the Concession Agreement, neither Concessionaire nor any of its officers, directors, executives, partners, shareholders, employees, members, and agents (as applicable) who are active in the management of the Concessionaire have been placed on the convicted vendor list maintained by the Florida Department of Management Services under Section 287.133(3)(d) of the Florida Statutes following a conviction for a Public Entity Crime or on any similar list maintained by any other state or the federal government. "Public Entity" means the State of Florida, any of its departments or

agencies, or any political subdivision. "Public Entity Crime" means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any Public Entity or with an agency or political subdivision of any other state or with the United States, including, but not limited to, any bid, proposal, reply, or contract for goods or services, any lease for real property, or any contract for the construction or repair of a public building or public work, involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation. A person or affiliate who has been placed on the convicted vendor list following a conviction for a Public Entity Crime, among other things, may not be awarded work nor perform work as a contractor, supplier, subcontractor, or consultant under a contract with any Public Entity; and may not transact business with any Public Entity in excess of a specified threshold amount for a period of thirty-six (36) months following the date of being placed on the convicted vendor list.

Concessionaire must notify the Department within thirty (30) days after any conviction of a Public Entity Crime applicable to Concessionaire, its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in management of the Concessionaire, or any affiliates of Concessionaire. In such event, this Agreement is voidable as set forth in Section 287.133(4) of the Florida Statutes.

38. Indemnification. The Concessionaire shall save and hold harmless and indemnify the State of Florida, the Department, the Board of Trustees, and their respective officers, employees, and agents from any lawsuit, claim or action arising out of its operations under this Agreement.

39. DEP employees act in representative capacity. It is understood and agreed the persons constituting the Department and the Board of Trustees, and their respective employees, officers, and agents are acting in a representative capacity and not for their own benefit, and neither the Concessionaire nor any of its or its subcontractor's employees, officers, or agents shall have any claim against any such Department employees, officers, or agents as individuals in any event whatsoever, when they are acting within the guidelines, terms and conditions set forth herein or when complying with applicable laws, rules, ordinances or Department directives and procedures.

40. Appropriation by Legislature. The Department's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature (Section 287.0582 F.S.). If funds are not appropriated or available for the Department to operate the Park or maintain the Facilities allotted for the Concessionaire, the Department may terminate this Agreement upon giving the Concessionaire 30 days' notice in writing.

41. Limitation of damages. The Concessionaire is aware this Agreement is for management purposes and may be revenue generating or revenue neutral. Therefore, there are no funds appropriated by the Legislature to pay damages. If a court of competent jurisdiction determines the Department is legally liable to Concessionaire by reason of the Department's breach of this Agreement *and* a. the Concessionaire has made no Capital Improvements in the Park, the Concessionaire agrees that damages for any such breach shall be limited to the amount of the Security; *or* b. the Concessionaire has made Capital Improvements to the Park which were not fully amortized as of the date of the Department's breach, damages for any such breach shall be limited to the amount of the Security and Paragraph 21.b.ii. shall apply to the Department's repayment of any remaining unamortized Capital Improvements, such unamortized amount being based upon the date of the Department's breach as determined by judgment, order, or settlement agreement.

42. Delivered under laws of Florida and action brought in Leon County. This Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law. However, if any provision of this Agreement shall

be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Any legal action hereon or in connection herewith shall be brought in Leon County, Florida.

43. Delay and failure to exercise right shall not impair right. No delay or failure to exercise any right, power or remedy accruing to either party upon breach or default by either party under this Agreement, shall impair any such right, power or remedy of either party; nor shall such delay or failure be construed as a waiver of any such breach or default, or any similar breach or default thereafter.

44. No interest given to any third party. This Agreement is not intended nor shall it be construed to grant any rights, privileges or interest to any third party without the mutual written agreement of the parties hereto.

45. Bona fide employee. The Concessionaire warrants it has not employed or retained any company or person, other than a bona fide employee working solely for the Concessionaire to solicit or secure this Agreement and it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Concessionaire any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement.

46. Time is of the essence. Time is of the essence in the performance of this Agreement.

47. Severability. If a court deems any provision of the Agreement void or unenforceable, that provision shall be enforced only to the extent that it is not in violation of law or is not otherwise unenforceable and all other provisions shall remain in full force and effect.

48. Conflict. Unless otherwise stated herein and in the event of any internal conflict among the terms of this Agreement and the exhibits, the Special Conditions and Exhibit A shall control over any conflicting terms in the General Conditions.

49. Entire agreement. This Agreement, and all exhibits annexed hereto which are incorporated herein by reference, collectively represent the entire agreement of the parties and the same supersedes any and all previous agreements of any kind. Any alterations, variations, changes, modifications, or waivers of provisions of this Agreement shall be valid only if reduced to writing, duly signed by all of the parties hereto, and attached to the original of this Agreement.

50. Acceptance of terms per signature. The Concessionaire agrees with and accepts the terms and conditions of this Agreement by its signature below.

51. Counterparts; electronic signature. This Agreement may be executed in identical counterparts, each of which shall be deemed to be an original, but all of which when taken together shall constitute the Agreement. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature were an original thereof. Any party transmitting an electronic signature shall provide the inked original thereof to the receiving party, at the receiving party's request.
