

True Love happens Naturally at

Crystal River Archeological State Park

Setting:

The beautiful Crystal River can be your sparkling alter for a quiet, serene ceremony. You can use the paved path for an aisle with the sunset as a backdrop or climb the stairs to the top of the temple mound where a platform allows for a beautiful view.

Amenities:

The area close to the river can accommodate up to 100 guests. The temple mound platform has standing room for up to 15 people. Please call our wedding coordinator to customize your special day.
