

# ICHETUCKNEE SPRINGS STATE PARK

A colorful underwater forest ripples within one of Florida's healthiest spring-fed rivers, the Ichetucknee, as it meanders through a timeless natural landscape.

## SWIM AND PICNIC

Swim and picnic at the North Entrance Headspring, a National Natural Landmark. ADA Lift Chair available upon request. To protect aquatic vegetation, no swimming between North End and Midpoint Launch.

## TUBE THE RIVER

Tube year-round from Midpoint or Dampier's Landing at the South Entrance. Rentals and transportation available at the General Store.

## CANOE AND KAYAK

Paddle from various locations. Rentals and transportation to North Entrance available. No motors or mechanized watercraft.

## HIKE THE TRAILS

Enjoy wildlife viewing in diverse natural areas maintained by prescribed fire. For your safety, please stay off the tram and service roads. Pets welcome on designated trails.
