

# ORGT Kids GeoTour

## OFFICIAL TRACKING SHEET

Look inside Operation Recreation GeoTour geocaches for one of six possible **NATURE CARDS**. Every cache has one of six species. Record the name of the Florida State Park where you first find each of the six species in the provided spaces below.

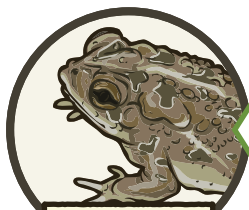

Coreopsis "Tickseed"

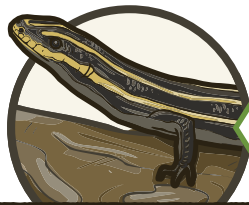

Red-shouldered Hawk

Great Blue Heron

Southern Toad

Southeastern Five-lined Skink

Raccoon

NAME

ADDRESS

CITY, STATE

ZIP

EMAIL

Once you have discovered all six, mail or email your completed tracking sheet to claim your ORGT Kids Geocoin!

e-mail to: [info@dep.state.fl.us](mailto:info@dep.state.fl.us)

-OR- mail to:

Florida Department of Environmental Protection  
C/O M&C  
3900 Commonwealth Blvd., MS #535  
Tallahassee, FL 32399

☐ Check this box to receive periodic updates about Florida State Parks. We promise never to share your e-mail address with anyone outside the Florida Park Service without your permission.
