11. GENERAL COMMENTS

What plans are going well, and what could be improved?

I understand times are tough with the pandemic. Store needs to be restocked. Firewood and some food items have been lacking, but told that is a problem because of the pandemic and availability issues. Menu Board should be replaced, it was taken down, but the building looks bad with it gone. Too many temporary signs made of paper. find a way to consolidate or make permanent signs. The loss in sales because of these items is very evident if you look at the % down from previous year in retail and vending. I have been told as the busy season approaches, items will be restocked.
