

PARK PROGRAM

Name _____

Date _____ Park _____

Every year, Florida's state parks provide over 2,000 Ranger Programs which teach different things about Florida's natural and cultural resources. Now is your chance to learn from a Park Ranger, Park Volunteer or Park Partner!

Attend a park program and use what you have learned from the program to answer the questions below.

What was the name and subject of the program?

Where in the park was the program?

What are two new things you learned from the program?

1. _____

2. _____

SERVICE ACTIVITY

PARK PROGRAM

Sharing what you have learned about the Florida State Parks informs others. The more people know about Florida's state parks, the more they will want to help.

Draw or take a picture about two things you learned from others today. Write a short statement explaining your images. Ask a parent to help you share your drawings or pictures on Facebook. Find the hashtag at the bottom of the page and add it to your post!
