## Sebastian Fishing Museum and Gift Shop

Open 10:00 - 4:00 daily. Experience Florida's commercial fishing history. Video, historic pictures, and exhibits show how the commercial fishing industry began in the late 1800s and helped make Sebastian what it is today. The museum is dedicated to the Sembler, Smith, and Judah families who pioneered commercial fishing in this area.

## McLarty Treasure Museum and Gift Shop

Open 10:00 - 4:00 daily. In 1715, a fleet of Spanish treasure ships laden with gold and silver was returning to Spain from Mexico and Peru. As they passed our coast, a hurricane wrecked nearly all of the ships in the pounding surf near the McLarty Museum, which was constructed at the site of the Spanish salvage camp. Exhibits interpret the history of this event and salvage attempts, and a display of some of the recovered treasure.

There is an admission fee. For additional information, call (772) 589-2147.
