## Suwannee River State Park

### Setting:

The majestic Suwannee River runs through the park exposing beautiful cliffs and breathtaking limestone outcroppings. A high bluff and observation platform overlooks the spot where the Withlacoochee River joins the Suwannee River.

### Amenities:

The park has two historic picnic pavilions with picnic tables and grills that provide cover and reception areas. Five vacation cabins are available for reservation for the wedding party to prepare for the ceremony, hold the reception or honeymoon. With so many settings to choose from, Suwannee is the ideal setting for your special day.
